About Progress Pioneers Summit

We're delighted to be hosting our inaugural Progress Pioneers Summit. We'll be showcasing the efforts, progress and success of our member companies and highlighting our collective impact since our launch in 2022.

At the summit we'll be launching our first ever impact report and celebrating the work our 40+ members have been doing to drive socio-economic diversity at senior levels within their organisations and the UK financial services sector as a whole.

Where?

London Stock Exchange Group

When?

**Tuesday 14th May 2024
(evening)**

What?

We'll be honouring companies who have made strides to make a difference, acknowledging those who are championing social mobility and recognising those who have reached milestones, set targets, launched campaigns and collected data.

There will be keynote speakers and discussions, as well as refreshments and networking opportunities as attendees raise a toast to the diverse future of UK financial services.
